### 2 Preparation Details

**Directors are expected to ensure that:**

- The selected musical is performed to create the required atmosphere and mood.
- Students sing chorus and solo songs "live" rather than just mime the words.
- Productions are both visually and vocally interesting.
- Performers project with vitality and energy.
- Performers deliver their lines with clarity and an awareness of meaning and mood.
- Performers think in terms of role to present believable characters.
- Conductors should avoid standing in centre front where the action is as the adjudicator misses important facial expressions.
- Performers are encouraged to play towards the front of the stage rather than in groups at the back of the stage.

**Primary Musicals (excerpts) will be judged according to how well they achieve their purpose.**

**For Section G1 The Primary Musical (Excerpt)**

- An excerpt will be performed at the set Festival venue.
- The performance in the Primary Section G1 must not exceed the 25 minute time limit.
- Directors may use appropriate props and costumes to suit character and period.
- Sets are to be kept to a minimum.
- Directors must supply set and strike stage crew.
• **This time is included in the total performance time.**
  Directors may use basic lighting but this must be arranged in advance.
  Directors may use available sound production facilities - ie CDs (MUSIC ONLY).

**For Section G2 and G3 The Secondary Musical**

• The entire performance will be viewed by an adjudicator at the production venue.
• Performers in the Secondary section will have no time limit restriction.
• No staff member of any Catholic school, or any other adult, may perform on Stage.
• **Schools are requested to advise Catholic Arts of their production date at least 4 weeks in advance so as an Adjudicator can be sourced.**

• Schools within these sections (G1-3) must provide a **FIRST AID KIT** or adequate provisions at every performance. Each school is responsible for their own students.

• Entrants in this section (G2 & G3) are asked to video record their productions (standard video). This will be used if a school receives an Honorable Mention and is in contention for the shield. The video will then be reviewed.

### 3 Copyright Information

• APRA and AMCOS copyright clearances are the responsibility of the participating school.
