2 Preparation Details

- The selected songs should be of a suitable range and difficulty.
- Breath control needs to be sufficient to support the vocal singing line.
- Singers should project good singing tone with vitality, control and enthusiasm.
- The choir should observe expression and other performance markings.
- Part song singing should occur only after the choir has successfully performed unison songs with pitch stability.
- The interpretation should be consistent and stylistically correct.
- Attention should be given to nuances and contrasts especially in strophic songs.
ie. It is recommended that where many verses are repeated with the same melody but different words, then the treatment of each verse should be changed imaginatively. Even if there is a large number of such verses no more than three verses should be sung.
- There is a strict adherence to the set maximum time limits listed.

3 Organisational Details

- A choir must not exceed the number of 120 performers.
Directors must ensure that the description of the choir is accurate.
- It is a school responsibility to arrange for an accompanist and for choir transport.
- Choirs are expected to provide a student announcer to introduce the choir and announce the two items when students are on stage.
- Venue location, venue floor plan and choral riser arrangement are provided well in advance. Please practise to ensure that students can achieve performance positions on risers within about 90 seconds.
- The performance will only commence after the adjudicator gives the signal.
- Alternate accompaniments and instrumentations are welcome but the choral performance remains the main focus of the adjudication.
- No recorded backing allowed. (Use live instrumentation or unaccompanied)

- It is the responsibility of all schools to have a **FIRST AID KIT** or adequate provisions at every performance. Each school is responsible for their own students.
